

Following the receipt of a petition, signed by over a quarter of the membership, demanding an EXTRAORDINARY GENERAL MEETING, it has been decided that the last meeting of the Michaelmas Term will be just such a meeting. This will be held on TUESDAY 29th NOVEMBER 1977 at 8.15pm in the LLOYD ROOM, CHRIST'S.

The following motion will be debated.

This meeting regards the present state of the Wireless Society with alarm, records a vote of no confidence in the committee and calls for a new committee to be elected to hold office until an AGM to be held before the end of Full Lent Term, 1978.

This meeting makes the following recommendations to the new committee:

- (i) That committee meetings be held and attended
- (ii) Minutes of such meetings be kept, along with proper records of all Society activities.
- (iii) That the financial position of the Society be noted.
- (iv) That a constitution be produced, for ratification by a General Meeting at the earliest opportunity.

Proposed: Nick Long, C4BIN

Seconded: Guy Morgan, C3ZHL

There will also be a discussion concerning general Society policy and in particular the future of the shack.

It is therefore vital that all members should attend this meeting.

IT'S YOUR SOCIETY - LET US KNOW YOUR VIEWS ON HOW IT SHOULD BE RUN.
